

**TOWN OF MOUNT PLEASANT, SOUTH CAROLINA  
BIDS AND PURCHASES COMMITTEE  
Monday, October 1, 2018  
Municipal Complex, Committee Meeting Room, 3<sup>rd</sup> Floor  
100 Ann Edwards Lane, Mount Pleasant, SC 29464**

**Minutes**

**MEMBERS PRESENT:** Jim Owens, Chairman; Kathy Landing and Gary Santos

**STAFF PRESENT:** Eric DeMoura, Town Administrator; Marcy Cotov, Chief Financial Officer, Rick Griles, Procurement Officer

Mr. Owens called the meeting to order at 11:15 a.m.

**1. Approval of Minutes from the [September 4, 2018](#) meeting**

*Ms. Landing moved for approval; seconded by Mr. Santos. All present voted in favor.*

**2. Public Comments**

[None]

**3. Award of contract for the purchase of [two automated side load refuse trucks](#)**

Mr. Griles stated that staff received two bids for two Mack Automated Side Load Refuse Trucks. Both bids met the specifications, which was for a 2020 Mack LR 64R Daycab truck chassis, and that was brand named. For the garbage body, it was a New Way Sidewinder XTR, and that was a brand name or equal specified product. As stated, both bids provided the product that was specified. The low responsive, responsible bidder was Hughes Motors in the amount of \$601,854.00. That was for the two Mack trucks, as specified, and staff anticipates delivery on April 15, 2019. The trucks have to be constructed.

Mr. Owens asked how many of these trucks we currently have in service.

Mr. Griles stated we have two that we have ordered but have not yet received. A picture from a slide is up for you to review. Where that arm comes out, it extends out further than the picture. It just shows the dump, but the arm extends out a good distance. The driver can operate that from the driver's seat.

### 3. AUTOMATED SIDE LOAD REFUSE TRUCKS

Mr. Owens asked if this manufacturer was Mack Trucks.

Mr. Griles stated the truck chassis is Mack Truck, the other device is from New Way Company, for the body.

Mr. Owens asked if there are parts on the shelf for this vehicle.

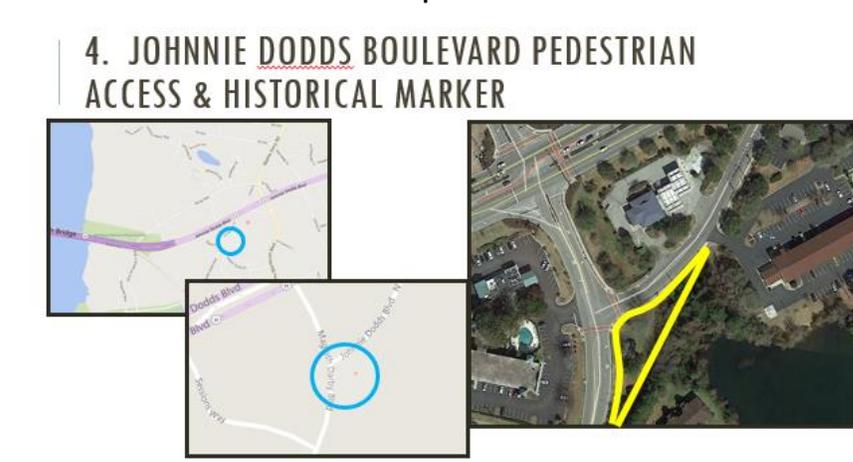

Mr. Griles stated that now that we are getting two more, yes. They will maintain what critical items they need.

*Ms. Landing moved for approval; seconded by Mr. Santos. All those present voted in favor.*

#### 4. Award of contract for the [Johnnie Dodds Boulevard pedestrian access and historical marker](#)

Mr. Griles stated we received two bids and both bids were responsive. The lowest, responsive, responsible bid was from AOS Specialty Contractors, Inc. and staff recommends awarding a contract in the amount of \$192,074.20. It is to be completed 90 days from the notice to

proceed. In the drawing, the area that is outlined is the location, and that is Magrath Darby Road running through the middle. The parking includes several items; a concrete walkway, landscaping, and mulch. If you look at the slide, the pedestrian access location and the marker location are in the blue square.

Mr. Griles continued, looking at the historical marker on the slide there will be a replica on site and on the left-hand side is the historical marker that will be on site to explain the historical significance of the site.

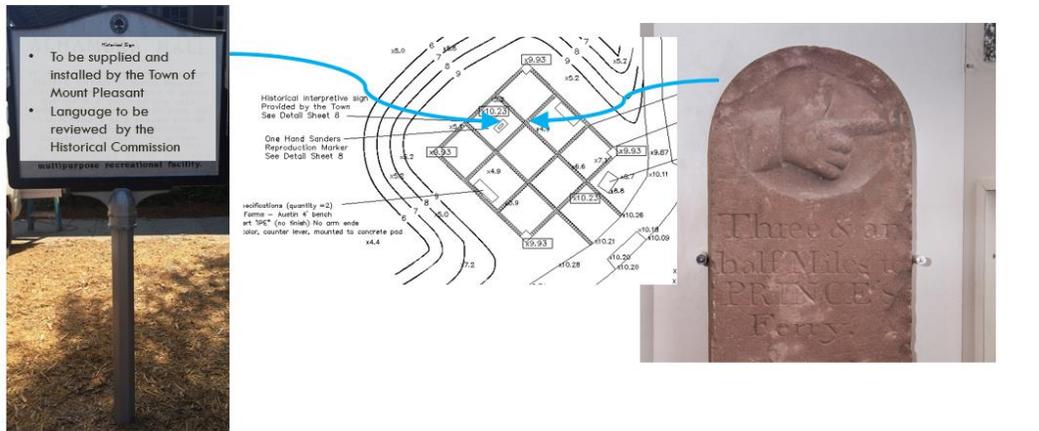

Mr. Santos asked if the pavers and crosswalks were being done by a local company.

Ms. Frame responded that AOS Specialty Contractors, Inc. will not be subcontracting any work; they will complete the entire project themselves.

Mr. Griles responded that AOS is doing a concrete pour on that with the brick banding.

Mr. Ponder stated there is brick banding on the landing itself and that it is not in the roadway.

## 4. JOHNNIE DODDS BOULEVARD PEDESTRIAN ACCESS & HISTORICAL MARKER

Mr. Santos asked if that will have to be added under this contract.

Mr. Ponder responded that the banding on the landing is part of the scope of the proposed contract.

*Mr. Santos made a motion to approve staff's recommendation contingent upon SCDOT award concurrence; seconded by Ms. Landing. All present voted in favor.*

## 5. Adjourn

There being no other business, meeting adjourned at 11:23 p.m.

Respectfully submitted,

Gina Artrip
