

Nov. 27th

A request from Mrs. Caroline J. Weston for the use of the Town Hall for the purpose of a sewing class was received. The Mayor called for a motion which was made by Mr. Hale and approved by Council that the request be allowed with the proviso that the fuel consumed be supplied by the Sewer.

Mr. Trevelken reported on the condition of the roadways in the vicinity of the Methodist Church which received Council's attention with recommendation that a remedy be effected at as early a date as practicable.

Clerk was instructed to write Capt. Bailey in regard to the accommodations at the Steam Creek ferry terminus and that he take immediate steps to erect necessary protection for the Public. If this was not done by Monday Dec. 4th action would be taken in regard to recalling his franchise.

No further business, the meeting adjourned.
